A passing from one place or stage of life to another, this is transit. To exist for only a short time, to be mortal; to pass from a part of life: to cause a change in one's life.

A traveler, a comer and goer, to be a journeyer, a voyager, an explorer, to be a transient. We are transients.

A theme well picked for the Class of 1969. We have passed fleetingly from our childhood days into high school and now we too have vanished from the world of Cotillions, Masquerades, Semis, Plays and Proms.

So stop, look back and remember for all these dreams will fade while we are in the adult world of reality. But don't look too long for we are here today and gone tomorrow. We are "In Transit."

IN TRANSIT—THEME

A movement in a time machine—in our case a distinctive position of being the last of the Woodbridge transfers; the last of the "old timers." With us goes the history and mixture of old and new for at Colonia our tradition has been to have no tradition at all. In that sense, every year at Colonia Senior High is transient; constantly moving, shifting, changing.

The past year saw the departure of personalities that played important roles in our lives . . . the deaths of Mr. Thomas Desmond, July 29, 1968, who was assistant Superintendent of schools and Dr. John P. Lozo, October 2, 1968, who for twenty years served as principal of Woodbridge Senior High School. Also the resignation and immediate reassignment of Mr. Edward Keating, director of secondary education, to the principalship of Fords Junior High at his own request and finally the retirement of Mr. Patrick Boylan, Superintendent of schools indicate the close of an era.

The class of 1969 is the last of the "oldsters." They explored the way between the old and new and held part of the responsibility for making this school a living body instead of a mere building. Being taken from Woodbridge to become the Patriots of Colonia was not an easy move. But it was done with an open mind and the underclassmen therefore followed willingly and in good spirit.

Now we look back on our period of transit. Our senior year was perhaps the most fleeting. The modular system, at best confusing, appeared, bringing changing blocks, changing periods, changing days. Senior year also saw the new faces of 14 faculty members and 600 sophomores. Breakfast was served, making transit just a bit more bearable. Plans for the future began to form as the present became the past. Some doors were opening as others were closing forever. Those were the days.

The Class of 1969 represents not only our second year of graduates, but the last members of our student body who began their high school education in one school to finish in another. This change presented a challenge; but, with every challenge there is opportunity. Your opportunity was to play a part in giving life to an inanimate structure. If you have given more than you have taken away, if you have contributed your time and talents, if you have helped make Colonia a better school because you were a part of it, then you have played your part well. In the years to come, increasing maturity and wisdom will teach you that, in the final analysis, what you have experienced here in the past two years is "life in miniature." The years to come will hold their challenges and corresponding opportunities. Your true measure of success will be the way in which those challenges are met and the extent to which you give of yourself when the opportunity is present.

I have every confidence that each member of this class, the Class of 1969, will continually seek to serve—your fellow man, your country, your church, and your community. No one is useless in this world who lightens the burden of anyone else.

In my poor uncertain way
I try to use each given day
As though it were but loaned to me . . .
A priceless cup from which to sip
But once, a precious stewardship
To serve with love and dignity.

FACULTY

A school must be evaluated on the quality of its instructors. If learning is to be cognitive, then the catalyst is the educator. At Colonia, 84 teachers, 5 guidance counselors, and 3 administrators are determined to be just that. Call them what you will—inspirational, dedicated, dictatorial, soft, patient, understanding—they are a representative part of our lives. Some we will never forget, others not soon enough. Yet, stay after school on any given day and you are bound to find a large percentage of the teachers acting as coaches, advisors, tutors, and directors of extra-curricular activities.

If students are transient, so then are the teachers who give us a greater opportunity by exposing us to different personalities, a greater variety of courses and teaching techniques. Fourteen new teachers joined the staff this year increasing the number of specialists available to help and guide us.

Even the educational process is in transit. A new modular program was introduced, its basic aim, to permit every student the opportunity to extend his learning to the maximum. Since mornings are the receptive hours of learning, the modular system afforded the student this greater opportunity. The success of the modular program was due to the flexibility of our faculty; no other school in the township offered it. The program required careful preparation to adjust to the time blocks. This also meant careful co-ordination between other departments. Again we must commend our faculty and administration for striving to create even greater co-ordination, by having team teaching, inter-class visitation of other teachers to lecture on an area of specialty.

If teaching is to be meaningful, it must become a comprehensible, smoothly flowing, nearly single, unit. Our teachers in the year of transit were moving in that direction.

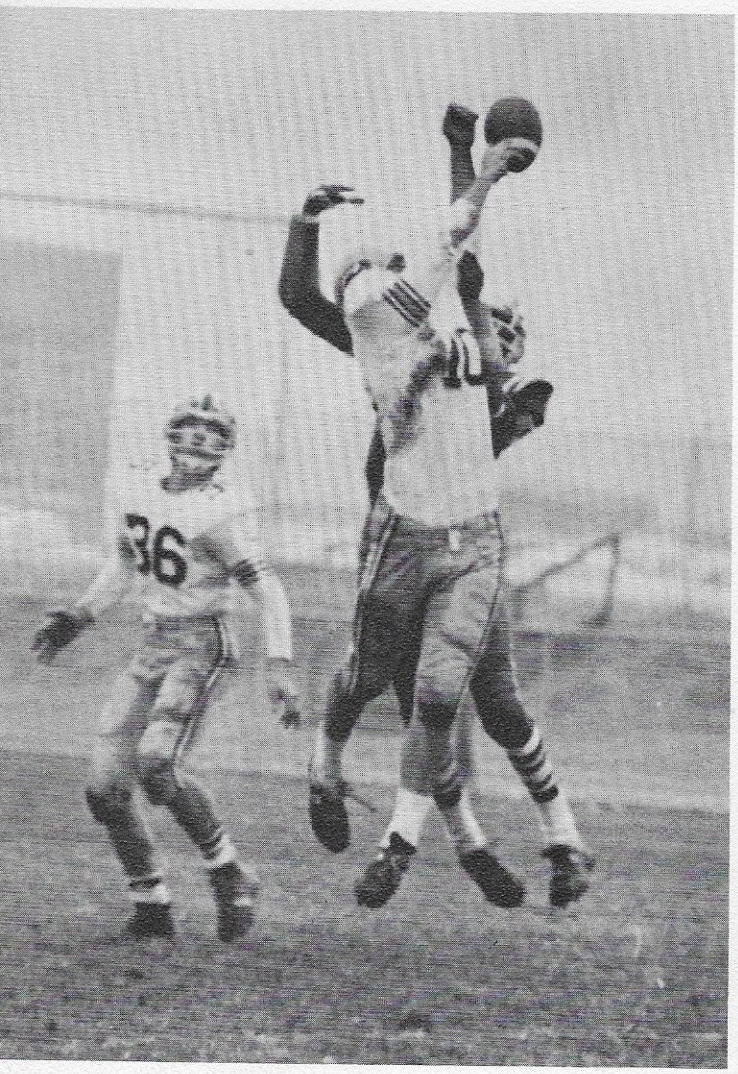
FOOTBALL 1968—STILL BUILDING . . .



This year's theme "In Transit" would also apply to our football squads. Our record of wins-losses was an improvement over last year's record but does not tell the full story. Hustle is a key word in football and our team, for the most part had that. We improved offensively and defensively. Boys like Ken Hyland, Pat Siracusa, Tom Levandowski, Dave Hannon, Mike Lyness, Bill Burns, Anton Schwartz, and Quarterback Bob LoPrete gave us many a thrill throughout the season. Momentary lapses caused the team to relinquish a game to our township rivals. Our Thanksgiving Day Game against Vailsburg gave Coach Joseph Martino reason to smile. A 47 to 6 win is always most satisfying after a somewhat discouraging season.

The year '69 will bring about many changes in our team. It is a necessity that our Junior Varsity fill the gap left by this year's seniors. Varsity squads lose half its starters to graduation. The gap left must be shouldered by our upcoming underclassmen.

CHEERLEADERS

Behind every successful team you'll usually find a screaming cheerleader. The cheerleaders verbalize school spirit with lung power. They cheer us on to victory or bolster sagging morale.

It takes a special kind of girl, bubbling with pep, willing to devote hours of practice on a single cheer, infectious enthusiasm—a special sense of pride.

The 1968-1969 squad of twenty girls were captained by Maria Zullo and assisted by Ronnie Wasserman and Sue Byerly. The J.V. captain was Margaret Kornas. You cannot mention the cheerleaders and not include the devotion of Misses Sandra Schmidtke and Janis Mayer, the advisors.

The team also took second place in the Middlesex County Cheering competition.

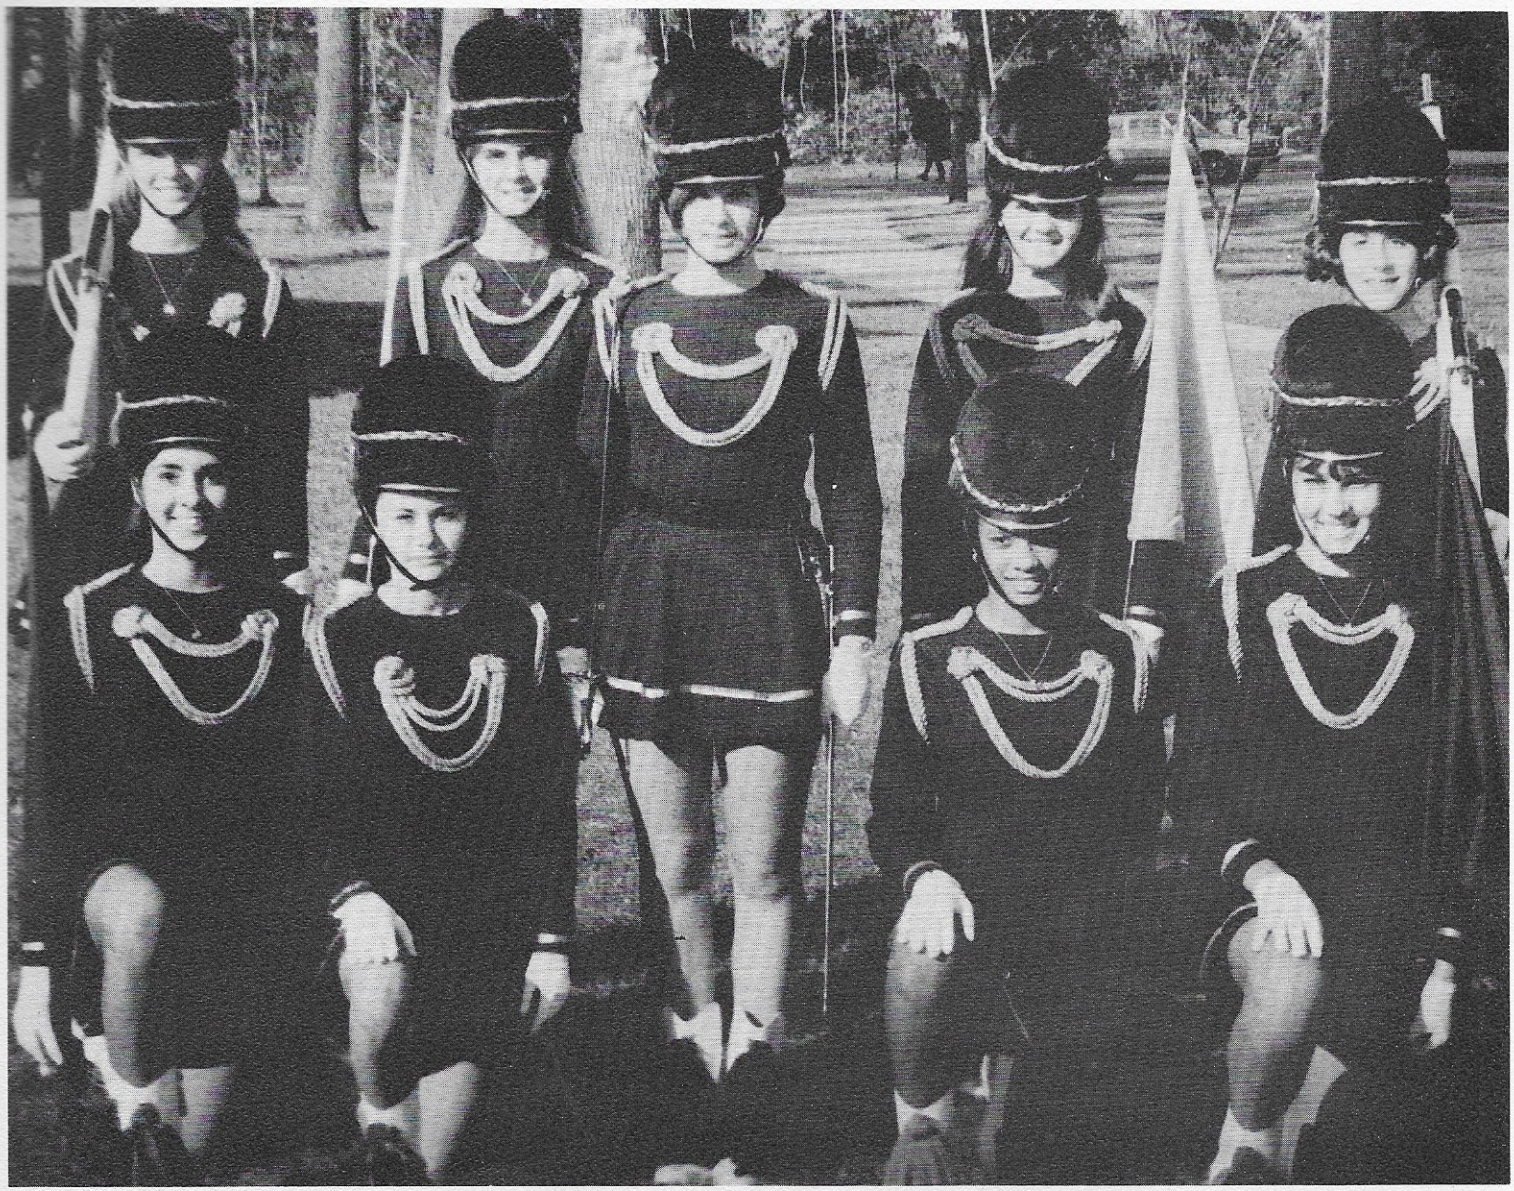
COLOR GUARD

Parades . . . Movement . . . A Soulful Strut . . . Half-time . . . Arched back, head erect, and each eye directed to a single focal point ahead, this is the Colonia Color Guard—their purpose, as the name implies, is to guard the colors.

Under the direction of Miss Sandra Schmidtke, Captain Charlene Lazur and Co-Captain Janice Rozzelle commanded one of the most important parts of this year's "Marching Patriots." Members were Gail Harrold, Mary Ann Pennella, Carol Shapiola, Fran Ballard, Cathy Cook, Leslie Eli, and Sandy Perez. The nine guards of the 1968-1969 squad spent long hours after school perfecting their symmetrical routines. The finished product never failed to generate a feeling of patriotism. Fluttering Flags . . . Glistening Sabre . . . Majestic Pose . . . Ready, Halt 1, 2.



COLORGUARD—First row: Sandy Perez, Cathy Cook, Janice Rozzelle, Fran Ballard. Second row: Gail Harrold, Carol Shapiola, Charlene Lazur, Leslie Ely, Maryann Pennella.

TWIRLERS—First row: Flo Mauro, Betty Jean Kelly, Laurie Forman, Eileen Schwartzberg, Arlene Hoffman, Sue Federico. Second row: Judy Judd, Martha Temperado, Jill Greenspan, Bonnie Baka, Monica Mroz, Ellen Wohlsifer.

Left to right: Robin Rudnick, Co-captain, Karan Mari, Head Majorette, Shelly Rockoff, Co-captain.

First row: Seena Schlosser, Barbara Luddeke, Janet Diken, Debbie Litzenberg, Mary Janis, Laurie Schwartz. Standing: Mar Heller, Karen Nowosad, Debbie Tanzi, Valerie Schweikert, Debbie O'Donnell, Maureen DeMaio, Debbie Kretzmer.

TWIRLERS

Left with only eight members after last year's graduation, the Twirling squad decided to expand. Expand is what they did, as twenty-one girls were added to the roster for a total of twenty-nine. They were constantly teased, but the coordination of the twenty-nine batons did not prove to be much of a problem for them. In fact, when they marched out onto the field en masse, they added quite a bit to the appearance of the Patriot Marching Band.

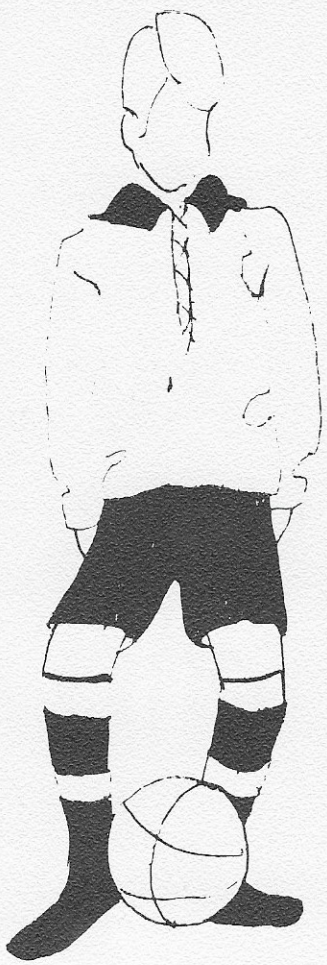
Frequently after school practicing until five-thirty or six o'clock, these girls worked out intricate twirling routines to such popular songs as "Mame," "Hello Dolly," "Bonnie and Clyde," and "Exodus." Once a week they met with the band to work out formations for the football game half-time shows.

Karen Mari was chosen as Head Majorette, a new position for Colonia High Twirling squads and Shelly Rockoff and Robin Rudnick served as captains for the year 1968-69. Serving as advisors to this group were Mrs. Honey Voelkel and Miss Judith Coyle.

Our Twirling squad overlooked all the jokes and criticisms that were aimed at its size and proved themselves to be a squad that Colonia High could be proud of.

Left to right: Margaret Kornas, J.V. Captain, Maria Zullo, Varsity Captain, Ronnie Wasserman, Varsity Co-Captain, Shelly Rockoff, Co-Captain, Karen Mari, Head Majorette, Robin Rudnick, Co-Captain, Charlene Lazur, Varsity Captain, Janice Rozelle, Co-captain.

VARSITY SOCCER TEAM—First row, left to right: Tom Pedersen, Joe Mijka, Al Pedersen, Frank Tartaglia, Bob White, Joe Spadaro, Tony Vitale, Joe daPonte, Joe Laginha. Second row: Mr. Buzz Nembirkow, Coach, Louie Corriero, Al Roth, Ray Perez, Randy Frommater, Mike Feldman, Ricky Peterson.



SOCCER TEAM WINS TOWNSHIP CHAMPIONSHIP

Soccer is not considered to be our main sports attraction at Colonia. Perhaps the role of underdog provided the inspirational play of the 1968 soccer team. The team's overall record of five wins (four shut-outs) and three ties far exceeded last year's record. They were the Townships champs, placed second in the Middlesex County Soccer Conference. They tied the township record of most games won and had two goals per game average. Since soccer is played in all types of weather (providing many a shivering knee), the ferocity and dedication of our players must be attributed to experience and the professionalism of Coach Basan Nembirkow.

Tom Pederson won the "Most Valuable Player" award for the second time while Bill Bauer was presented with the "Players" Award.

Our J.V. squad coached by Mr. Milton Kott did admirably and will provide added depth for next year.

THE 1969 COLONIA WRESTLING SQUAD

WRESTLING

Although the Colonia Senior High School matmen did not witness a successful season so far as team wins and losses were concerned, they did achieve individual success. Captain Louis Barnett captured the titles of both County and District Champion, setting the pace for future Patriot wrestlers. Co-Captain Ray Perez was a consistent performer throughout the season and received the School Coaches Award. With the assistance of Coaches Lilley and Bruno, the inexperienced wrestlers developed individual stamina bringing confidence and experience for the next season.

Our forlon coaches Mr. A. Lilley and Mr. Paul Bruno.

STUDENT COUNCIL

A year in transit was this Student Council's year, always on the go, too often unnoticed, too often without full support. Yet Student Council thrived on many actions and activities, big and small. Policy headed the list of actions when it was decided that the Council was not a money making organization, but an organization that should provide the student body with more than a bookstore and a concession stand, steps were taken to provide assemblies that entertain and educate.

Council activities were many and successful. The first annual Football Queen Coronation was held with Nancy Reckard selected to reign. Santa Shiller visited, bringing sweets to all good girls and boys. Our first hectic exchange day took place with ambassadors from neighboring schools visiting Colonia Senior while Patriot representatives visited schools in South River, New Brunswick, South Brunswick, East Brunswick, Iselin, Madison, Perth Amboy, South Amboy, Metuchen, Piscataway, Edison, and Dunellen. The Gay Nineties Carnival and Dance highlighted the year with all school organizations invited and many participating to contribute to the biggest success of the Student Council year of 1968-1969.

MODERN DANCE · MODERN DANCE

The newly introduced Modern Dance Club is an excellent example that Physical Education is more than the traditional sports and athletics.

Introduced and advised by Miss Janis Mayer, this club consisted of approximately twenty-six girls; all with the talent for dancing. Practices for numerous programs and activities kept them "in step" at all times. Performances in the Music Department's production of "My Fair Lady" and hopes for a dance symposium, made the Modern Dance Club one of the most active clubs of this year in transit.

CHOIR

In the second year of their existence the Colonia High School Choir, composed of more than 61 members, lifted their voices in song and once again gained their laurel wreath under the guiding hands of Mr. V. DiGiorgio and his flying pencil. As though school had never ended in June, the harmonizing began immediately for their first concert. In addition, the ever popular candy sale was instituted to provide for the balance due on the choir gowns. After helping the township salute the United States on Patriotic Day, the choir pushed on with rehearsals for a Thanksgiving concert.

Then the moment came. Their fame spread, the choir was asked by Rahway Hospital to appear on television. With full trappings and all the television equipment from camera to ambulance, the choir made a video-tape of the Christmas concert for showings on closed-circuit television in the hospital throughout the Christmas season.

The members of the choir agreed that the school's evening concert performed soon after was very professional. However there was no chance for them to become overconfident or rest on their laurels. The production of the annual Broadway show was immediately undertaken and with the adage "Where there's a will, there's a way" in mind, *My Fair Lady* finally premiered.

Still no rest in sight, the choir provided entertainment for the National Honor Society inductions. Capping off the year 1969, the varied songs in the Spring Concert were sung to an auditorium filled with avid listeners and as the awards were handed out to all members at the Awards Day ceremony, the Choir of 1969 passed into history.

CHARACTER, SCHOLARSHIP, LEADERSHIP, SERVICE . . .

NATIONAL HONOR SOCIETY

At a time when education continues to re-evaluate its goals, one organization remains constant to the high ideals of scholarship the National Honor Society. The membership composed of juniors and seniors represents a select group of students whose leadership and service to the school and self are methods to be emulated. At the induction ceremony held on April 23 with the traditional lighting of the candles of scholarship, character, leadership and service, this year's new members recited the N.H.S. pledge,

"I pledge myself to uphold the high purpose of the National Honor Society to which I have been elected. I will be true to the principles for which it stands. I will be loyal at all times to my school and will maintain and encourage high standards of scholarship, character, leadership and service."

SOPHOMORE

As the Sophomore Class of Woodbridge Senior High School, we represented the largest single class in the history of Woodbridge Township, numbering 1,250 students. The class was led by President Christine Lakatos, Vice-President Nancy Ingram, Treasurer Pasquale La Corte, Secretary Phyllis Tremarco, and aided by the class advisor Miss Anne Marie Hayes.

Unforeseen circumstances forced the cancellation of the "Computer Dance." The previously scheduled "Sophomore Dance," co-chaired by Jill Klein and Elaine Kott was held on May 5. "Parisian Holiday" was to be the first and only social event of the Sophomore class, for soon after, 350 students were to become the FIRST Junior Class of the new Colonia Senior High School.

JUNIORS

For some, the transfer to a brand new school was not a happy one. The Year One began as a mixture of old and new familiar faces and traditions. In the first weeks, we elected class officers: Michael Lyness, President; William McGinnis, Vice-President; Linda Nealis, Treasurer; and Phyllis Tremarco again returned as class Secretary. Mr. Joseph Karabin and Miss Judith Coyle served as Class advisors during this period of adjustment.

To increase the class budget, we used the tested, exclusive Junior class fund raiser, that of selling "World's Finest Chocolate"—by the thousand.

Fall changed to winter and the beginning of our social calendar, the Junior Cotillion. Food was ordered, a band was hired, favors were purchased, decorations and programs were made, bids were sold and finally the "Carousel of Luv" came to life on March 8, 1968.

The pace increased, for shortly afterward, Miss Marie Sekerak and Miss Sandra Schmidtke held tryouts for the oncoming Junior Review. The brightly colored, psychedelically lighted review "Up, Up and Away" was held on May 17.

So ended our Junior Year.

SENIORS

The word *senior* took on special meaning in September. It meant the beginning of the end, a period of transition from follower to leader, parking privileges, expanded social calendar, varsity, chairmanships . . . a beautiful word . . . SENIOR.

The seniors elected Richard Peterson, as President; Jill Klein, Vice-President; Marianne Nadel, Treasurer and Karen Lukensow, Secretary. Mr. Joseph Karabin and Miss Judith Coyle again served as class advisors.

A couple of breaths later to adjust to the new modular schedule and then the Senior Masquerade. Lissa Lanza and Mary Terzella were chosen co-chairmen and with the invaluable assistance of Miss Janis Mayer and Mr. Milton Kott, on Oct. 18, "The Road to Somewhere" highlighted the Fall social calendar.

An Alumni Dance was held on Monday evening December 23, 1968. Our alumni of one year wore identifying tags with colleges or businesses on them providing the seniors an opportunity to ask questions about the world that will begin in July of '69. Many of us renewed old

acquaintances, exchanged nostalgic remembrances or listened to the entertainment provided by the Bedford Street Garage.

Tradition dictated a senior play and on the evenings of January 31 and February 1, 1969, "Born Yesterday" by Garson Kanin was presented. Tryouts were held in November and by December the three leads, Ellen Blackman, Martin Olivieri, Steven Hoffman, and a supporting cast of twelve were rehearsing in earnest. Its been said that a successful play requires many hours of effort. Based on the success of the play, need more be said. . . ?

The year had not ended when Mrs. Linda Sandusky and Miss Mary Ann Fletcher chose Doreen D'Emilio and Jeanne Osiecki to be co-chairmen of the semi; the mid point of the social calendar. It's always been amazing to see what can happen to a spacious gym and lobby with imagination, hundreds of feet of paper, willing hands and a warm reception and on February 21, "Under a Crystal Rainbow" proved to be no exception.

In March, many of the seniors participated in the musical success, "My Fair Lady" under the direction of Mr. Valentino Di Giorgio.

What can be said about the Senior Prom except that at this writing—"it's the prom that almost wasn't." We do know however that its doubtfulness helped to inspire greater fund raising efforts. The most important and probably last social event shared as a class will be covered in the summer supplement.

Again at this writing, the thought of graduation fills us with joy, sorrow, a small amount of fear which will be adequately recorded in the summer supplement.

Suffice to say, the year of transition, 1968-1969 was not a dull one. Recall any senior class meeting to attest the cacaphony of various groups, the difficulty of funds, the individual efforts of seniors, the trauma of awaiting college acceptances which seemed to cement us together as a class. We did not leave as lambs.

TOP TWENTY

Three years of conscientious, demanding effort is needed to reach the summit known as the Top 20 of the graduating class. It is an honor indeed to be included in the inner circle of achievers whose talents are to be envied; whose names become part of the history as the best of the Class of 1969.

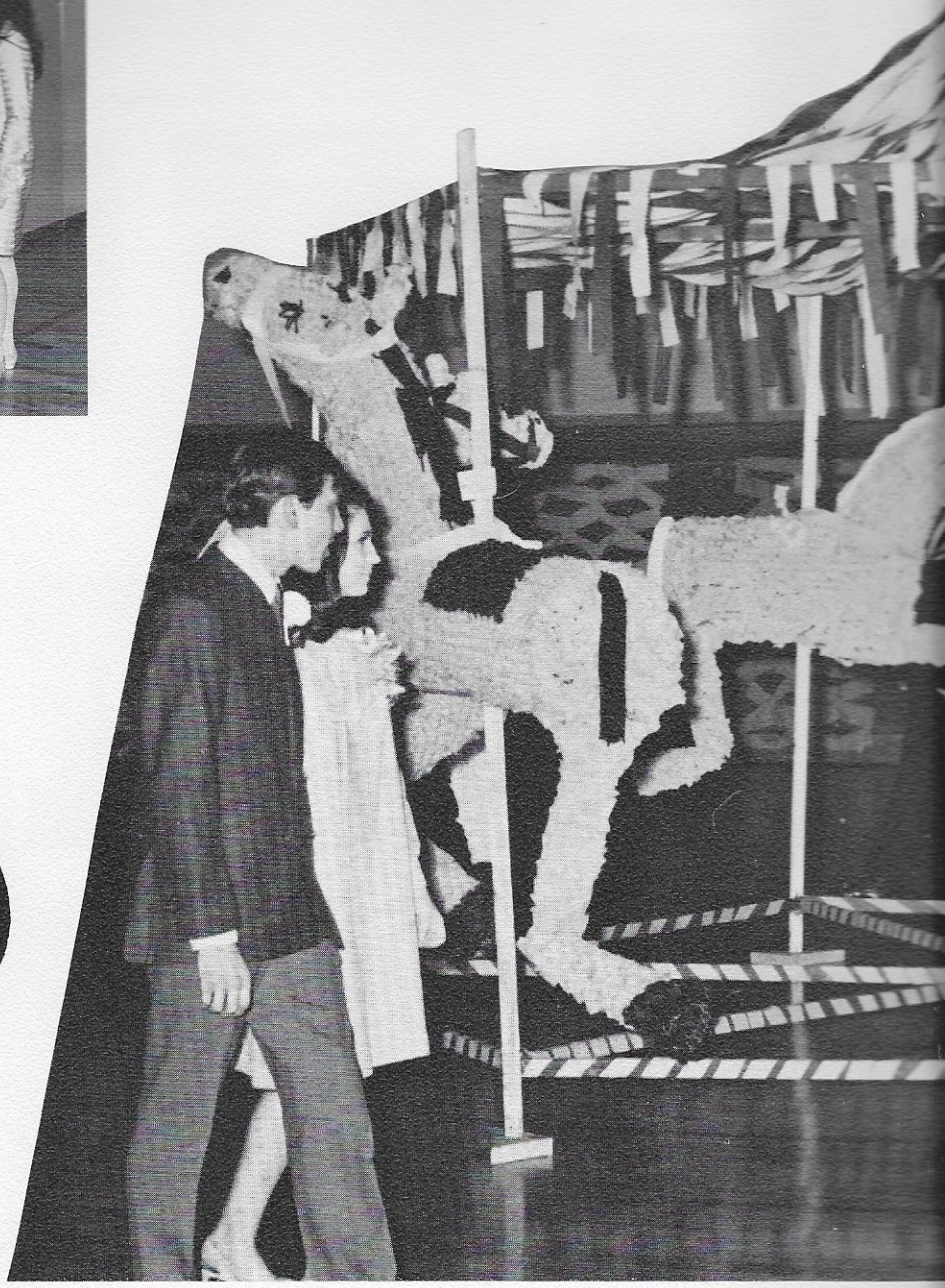
CAROUSEL OF LUV



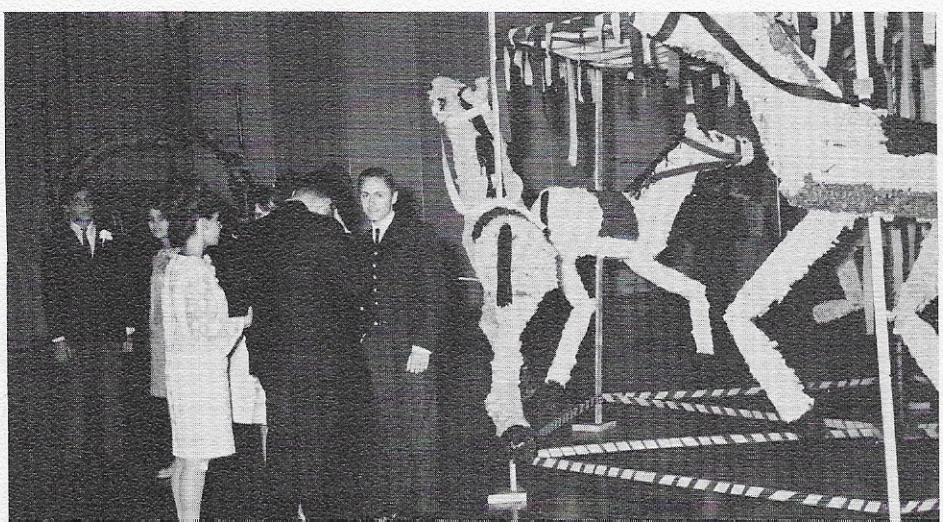
The very first Junior Cotillion held at Colonia Senior High School was an evening not to be forgotten by the class of 1969.

Held on Friday, March 8, 1968 "Carousel of Luv" was chosen as the theme. Chairman Debbie Freeman and her Decorations Committee highlighted the theme by constructing a carousel with six frilly crepe paper horses gaily whirling under a canopy of color. The fragrance of many corsages, carnations, nosegays and wristlets seemed to add to the atmosphere. At the entrance the archway transformed the gym into a whirlwind of love, the evening was one filled with many memories even after the carousel had glided to a stop. . . .

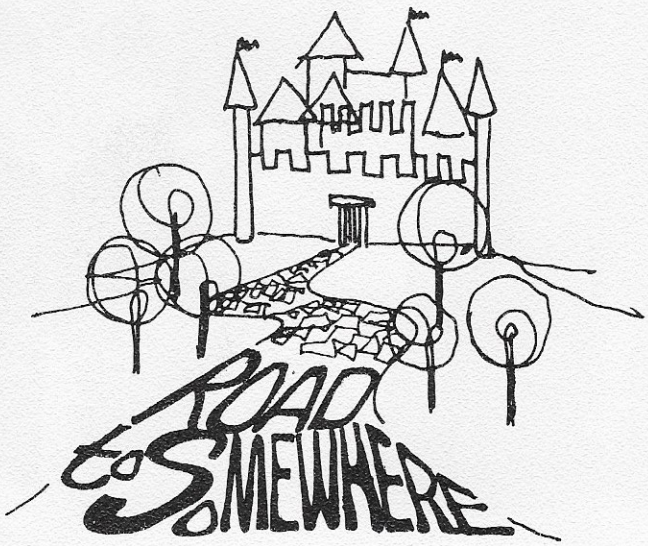
Entertainment was provided by the James Peterscak Band sheltered by a graceful awning which added to the motif. Chairman Linda Nealis and her Refreshment Committee contacted caterers who provided a delicious hot buffet.

JUNIOR COTILLION • 1968

Many romantics managed to confiscate their bids, which chairman Robin Rudnick and her Bids Committee arranged. Petite candy dishes inscribed in gold with "Carousel of Luv" and filled with tiny candy hearts were the clever favors that Chairman Shelly Rockoff and her favors Committee designed and ordered.



ROAD TO SOMEWHERE



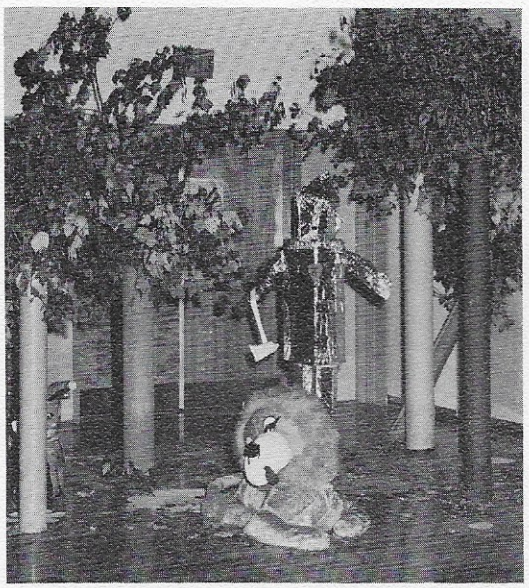
It was a night of all nights as we passed through the gym doors and found ourselves on "The Road to Somewhere." Miles of yellow cobblestone road led us to a castle landscape some twenty by sixty feet in size. One corner of the gym was occupied by a forest complete with its own lion, scarecrow, and tinman, while across the floor one found mushrooms of various sizes, shapes, and colors.

"The Aztecs" provided us not only with the music, but also with a psychedelic light show.

The Mafia then moved in. Though a fierce looking bunch, there was nothing to worry about for our favorite policeman was there to keep them in line.

The Class of 1969 showed itself to be original and talented in the creation and designing of their costumes. "Boy" Scouts, Little Leaguers, 1920 bathing beauties, soda bottles, dice, and Raggedy Anns and Andys were just some of those represented. Even Colonia High School's braver and more "fun-loving" teachers came in costume.

DECORATION COMMITTEE—First row: Nancy Reckard, Karen Mari, C. Diggs, Stephanie Faught, Mary Terzella, Debbie Antanies, Lisa Lanza, Donna Garibotto. Second row: Renee Ressler, Pat Rist, Aurora Sesta, Fran Spiotti, Denise Comsudis, Linda Gonzales, Jackie Facceponte. Standing: John Scaturro, Sue Silver, Brian Williams, Cathy Zurewski, Marge Galinis, Iris Paye, Margie Jamison, Pat Keating, Pete DePierri, Linda Lowman, Miss Janis Mayer (Advisor), Phyllis Trimarco, Richie Peterson, Carol Yates, Jill Klein, Lou Laspata, Bev Howell, Karen Biller, Pete Temeles.

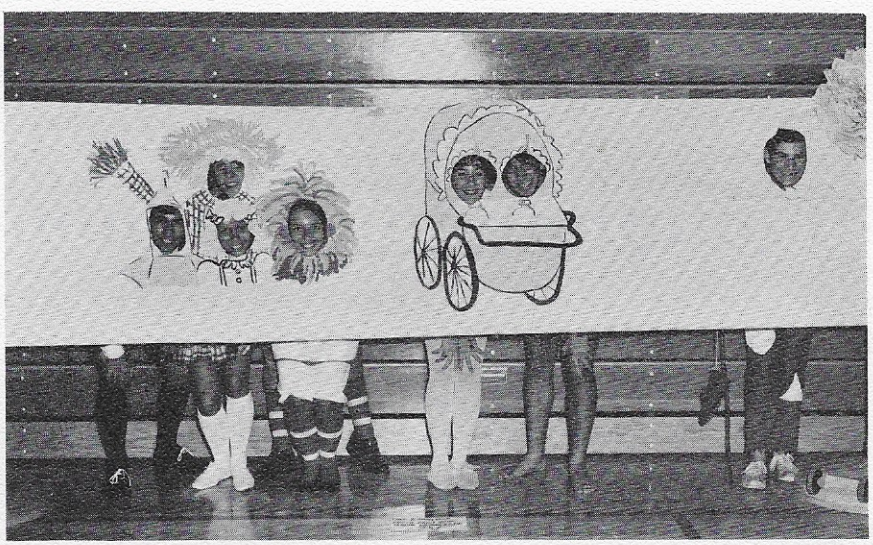


Costume winners were: a case of "Like"—Tri-Del; the Mafia—Delta Omega Chi and Rick Peterson, Lou Laspata, and Jeff Gruttz; Bunny and Carrot—Cheryl Bendy and guest; the Flintstones—Carol Buist, Doreen D'Emilio; Kitty and Matt Dillon—Karen Remolino, Kathy Zurewski.

The babies had their day also, as Colonia's Wankly Diaplt-Beautiful Baby Contest was underway.

Doughnuts and punch were served to all.

Not to be overlooked are the chairmen and advisors: General Co-Chairmen—Lissa Lanza and Mary Terzella; Refreshments—Judy Judd; Entertainment—Nancy Reckard and Robin Rudnick; Tickets—Bev Lawton; Decorations—Debbie Antanies, Phyllis Trimarco, and Carole Yates; Advisors—Mr. M. Kott and Miss J. Mayer. A sincere "Thank-you" goes to these people and everyone else who made the 1969 Senior Masquerade the most successful in recent years.



BORN YESTERDAY

During the year of 1969 the words of Garson Kanin's hilarious comedy, *Born Yesterday* sprang from their pages, echoing through the halls of Colonia Senior High. Rehearsals spread themselves over day after day after seemingly endless day. Hours of practice and weeks of labor passed as all worked to find the perfect balance between laughs and life. Finally the efforts of director, cast, and countless behind-the-scenes workers paid off as *Born Yesterday* proved a resounding success.

Enjoyed by all, the Senior Play of 1969 is remembered for its sexy showgirl, gruffy millionaire, handsome writer, drunken lawyer, pompous senator and many other warm, human characters.

A moondrop glaze on black velvet hills and trees, opened as couples gathered for the 1969 Senior Semi, Under a Crystal Rainbow, Friday, February 21. Our semi advisors were Mrs. Linda Sandusky and Miss Mary Ann Fletcher, with Chairman Jeanne Osiecki.

A water color image of chilling cold melted by a crimson fire filled the atmosphere which was accomplished by the Decoration Committee headed by Mary Jane Bell.

Nancy Reckard and her Bids Committee obtained beautifully printed silver bids to begin the gala affair. Exotic cat-like music drumming the beat of a '69 overture was provided by the Pink Panthers. Fountains of drink, roast beef and other delicacies were the refreshments that Maria Zullo and committee arranged. Fond memories of fragrant nosegays may linger for weeks, but the Programs designed by Angela DeStefano and her committee, and the favors by Beverly Howell and her committee will remain forever.

And the Beat Goes On—

No matter what time of the day or night you chose to roam the halls of Colonia Senior High School, you were bound to hear weird noises drifting from the northwest corner of the building. With over fifty members, the band room was constantly in use. Following a week of summer preparation, the group, under the skillful direction of Mr. Leonard Gallo, Drum Major Jack R. Berman, and the help of the Band Parents' Club, began their football game halftime performances.

Officers of the organization were: President, Linda Roth; Vice-president, Ronnie Eig; Secretary, Lynn Michalski; and Treasurer, Barbara Marlis. Divisions of the band included: a marching unit, a concert band, a stage band, a basketball pep band, and a small orchestra. The performances of these groups this year were numerous and varied. Among them were the many school assemblies and programs, visits to different local schools, the Winter and Spring Concerts and the Spring musical, "My Fair Lady."

Much of the year was spent in raising funds so that next year's sophomores, juniors and seniors might profit by learning marching skills at a summer band training camp. Through the sale of tickets, bake sales, and monthly paper drives, the band attempted to reach their goal.

Thanks to the untiring efforts of Mr. Gallo, the band had a most successful year.

Declaration

Presses, paper, ink, time, effort and most of all people are among the items necessary to produce a newspaper. The people involved in reporting are aware of the watchwords who?, what?, when?, where?, why? For those involved in publication deadline is the word. This year the *Declaration* proved to be more than an annual. In addition to an increase of issues, the paper expanded to eight pages, including a photographic essay in the center section. Up to the minute news, reviews, sports and contests were printed. Staff members became likely candidates for the indoor track team while running through the halls with newspapers hot off the press. Not until the middle of the year were outsiders, people not in Journalism, added to the staffs; however, once assigned, they too joined in the mad rush of deadlines and distribution. Although it was a hectic race against time, a successful year was had by all.

THE 1969 ARCH—IN TRANSIT

Editor-in-Chief

A yearbook represents many things to many people. To some it's a temporary reflective spark of a year gone by. To others, especially those involved in its production, the yearbook is as an infant, worked and prepared for until finally—birth. Demanding, frustrating, satisfying, bringing pride to its creators, it is a life-long experience in the transience of a single year. It is only in reflection that one thinks of the long hours; the missed deadlines; the photos that should have been taken, the ones that magically disappeared; the typed copies that reappeared after they were rewritten; faces that disappeared as the fun wore off and the work wore on, but even this will affect few.

A yearbook is a precious moment of time, a transient thing somewhere between yesterday and tomorrow, a hold on locked memories, truly a thing of pure gold.

The year's linguistic activities included the German Club's Wiener Schnitzel Party; the French Club's trip to see a movie in New York; and S.A.C.'s celebration of the New Year in Chinatown. Highlighting the winter season's festivities was the international Christmas Party.

The Current Civics Club's aim is to inform students of historical events which occurred in the past. It is indeed unfortunate that this club did not materialize this year at C.H.S. However, much to the surprise of many, one of the Jerseymen clubs of Woodbridge township crept out of the cracks in the walls this year. We at C.H.S. were proud it was our club who ventured forth to take advantage of the township's tercentenary and to look back on the history of Colonia. They took a number of slides and researched for material to explain the historical significance of each slide. According to the information supplied, Colonia's previous name was Hootenville. If Colonia hadn't changed its name we would all be going to Hootenville High. The research also revealed the fact that George Washington slept in Woodbridge Township too. An interesting point made during the showing of slides, however accidental it may have been, was that of man's destruction of nature. This was displayed in a slide of the Sewaren oil strewn shore. Also the shore's history of once being one of the most popular resorts in the area was made known through the Jerseymen's competent research.

The Forensics club's varsity debaters had a fair season of debating only to be shown up by their novice members who captured a record of 11 wins and 2 losses. It is hoped that they will carry forth this success with them onto next year's varsity debating team.

Once a month, a team of five members of the Math Club compete with other schools throughout the state in problem analysis and solution. Between meets the club discusses mathematical concepts not included in the curriculum and compete against the clock.

Having a membership of only four students, was a unique characteristic possessed by the Chess Club. Because chess is an intellectual game and does not require spectators, accounts for its minute membership.

SCHOOL SERVICES

The increasing use of various audio-visual material makes our A.V. aides a valuable asset to the school. It required many hours to maintain the equipment in proper order and to train new students to operate the expensive, intricate equipment. This year the introduction of closed-circuit T.V. and new recording equipment, gives us another "first" at Colonia.

Did you have trouble locating enough information for your term paper on the everyday life of a flea? You shouldn't have if one of the library aides of Colonia Senior High School came to your rescue. They were sure to make use of the card catalog, the vertical file, and most of all, for contemporary views on your topic, the reader's guide.

Guidance aides located you when you missed your appointment. Perhaps, while browsing through the pamphlets in the guidance department, you noticed suddenly that they were in alphabetical order. This task, too, was put into the competent hands of the Guidance aides.

GUIDANCE AIDES

One of the least recognized groups of Colonia Senior High School were the secretaries to department heads. These girls gave up their studies to assist a department head or teacher in need of a secretary. You can thank them for those beautifully typewritten tests you were getting.

Other service clubs usually taken for granted but vitally needed to the non-academic function of the school were the stage and lighting crews. They were the "behind the scene people." Working hard to build scenes and plan clever lighting effects were their main functions. These boys were responsible for much of what happened behind the scene and on stage.

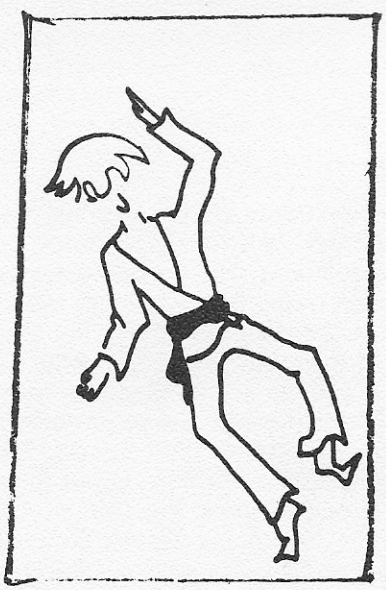
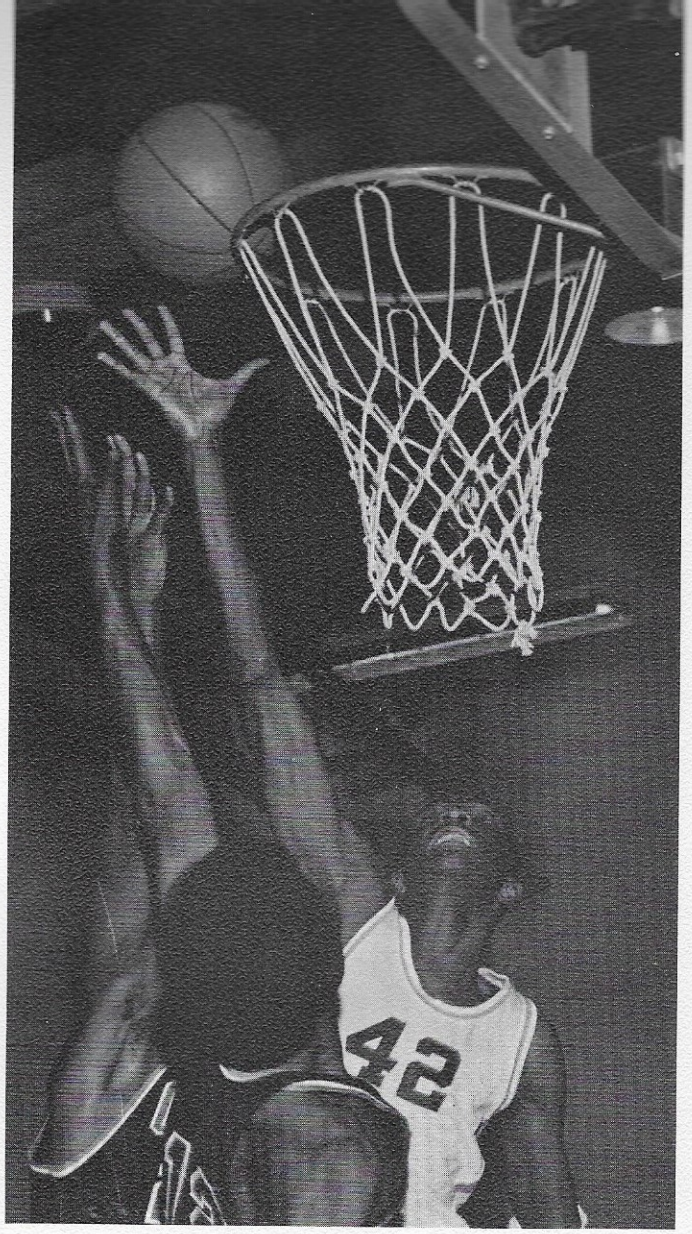
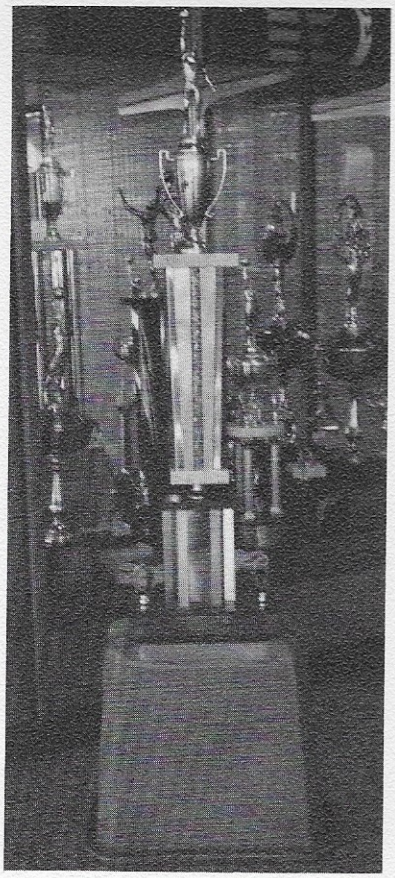
JUDO CLUB



A most unusual club joined the ranks at Colonia Senior High this year. The Judo Club, with its four members and advisor, Mr. David Rothfuss, was the first of its kind at Colonia Senior High. The organization was unique to the school in that it had never before been an activity which taught self-defense. With this year's success under its belt, the Judo Club's membership is bound to flourish next year.



WE'RE NUMBER 1



Our team this season continued the winning tradition for C.H.S. They managed to collect during this past season, for the Patriots, the Middlesex County Coaches Tournament Championship and the Co-Championship with Woodbridge High School in the Group IV Conference.

Upsetting the Perth Amboy winning streak of 27 games, during the annual Middlesex County Coaches Tournament, was one of the most exciting contests in basketball. Although behind by 10 points at the half time, the Patriots just wouldn't be beaten, and exploded in the second half. They fought to an 81-77 victory over the Panthers of Perth Amboy, the supposedly number "1" team in the state. This caused a "basketball tremor" that was felt throughout the state.

Colonia brought home the title of County Champs in the final game against South River. Holding the lead all the way, the Patriots defeated the Rams 78-62.

Another highlight of the season was the victory over St. Joseph's of Metuchen. Throughout the game the lead exchanged hands constantly only to end in a tie in the fourth quarter; thus, requiring overtime which only resulted again in a tie. Triumphantly, after the second overtime session we broke the tie with a set of foul shots which produced a score of 70-66.

In the last game of the season, the Colonia Patriots fought the Barrons of Woodbridge for the Group IV Conference Championship. The lead see-sawed from one team to the other, ending the first half with Colonia ahead 37-32. The Patriots widened the lead and tenaciously held it to win 62-52, bringing home the Co-Championship title. This closed out the season with a record of 20 wins and 7 losses.

A major factor in the team's success has been the competent coaching of Mr. Robert Sanislow and Mr. Wayne Szokes. They taught the team to play a rugged defense, combined with an accurate and well-drilled offense. Craig Frank held the high scoring record at 31 points in a single game. "Big Ben" Rozelle was another valuable contributor with his superb rebounding and scoring. Our team has been a treat for the spectators due to the colorful and cool-tempered style of Mike McGuiness and Tim Kish. Both these players should be commended on their exceptional skill in scoring for the Patriots. Kevin McNelis, Dave Fialk, and Gary La Frano laced the team together with their ball-handling and play-making.

It is in honor of our team and pride in their accomplishments and sportsmanship that this section is dedicated.

Head Coach Milton Kott

Springtime at Colonia signifies the start of the baseball season. Coach Mickey Kott is looking to improve upon last year's record, and he has the players to do it with. At the start of the season the team's record was 4 and 1. One of the team's newest stars to come along this year has been Gary LaFrano. As a pitcher Gary has shown time and again that he is a tough competitor. In two of his starts this year, he has pitched a no-hitter in one, and struck out 13 batters in the other. This is not to discredit the other members of the team. It is a team effort that wins a baseball game and Colonia has that sort of team effort. Balanced hitting and good fielding can win a game, combined with a good pitching performance. So as another baseball season starts we at Colonia Senior High hope it will be a successful one.

FALL TRACK

Colonia Senior High's "Road Runners" better known as the Cross Country team have trotted their way to victory, to capture the title of Township champs. While traveling through Colonia, it was not unusual to see our men jogging to Merrill Park along New Dover Road in their sweat suits, stocking caps, and scarves.

This outdoor sport requires much endurance, timing, and self-control, for it is a lengthy 2½ mile course on which all members must compete. Meets were held regardless of weather conditions, as this is a test of the ability of a runner.

Placing 3rd in the county, 5th in the state and having a record of 11 wins and 2 losses were among the accomplishments awarded to our Cross Country team this season.

Al Peterson, captain of the team, filled in a gap left by Jim Kuisma. Al competed against some of the county and state champs and can claim the honor of being selected from the first team all-county.

Among the other prominent runners were John Pavuk, Dave and Dennis Kuntz, Chet Dembowski, Ken Saulnier, and Dan D'Arcy. Two important factors in the team's success were coaches Mike Murphy and Harry Brett. Without their competent coaching, the team's success would have been impossible. The team's managers were Ellen Patrick, Ellen Whittmore, and Kathy Vetere.

All the home meets were held in Merrill Park against rigid competition supplied by Edison Township and St. Joseph's of Metuchen.

SPRING TRACK

Once again Colonia Senior High School's track team has proven that they're a track power here to stay in Middlesex County. Having depth and strength in every event, was an asset to our team; however, like most teams there were a few events in which we were stronger. Throughout the season we worked hard to make the team well-rounded.

Both Winter and Spring track are composed of several events. Each member of the team was more or less a specialist in his specific event. Dave Kuntz was one such specialist in the quarter-mile. Other specialists were John Pavuk in the mile and long jump, Al Peterson in the 2-mile, Bill Burns in the quarter mile, and Anton Schwartz in the shot put.

One of the reasons for the team's outstanding success was the acquisition of coach Harry Brett from St. Joseph's where for a time he coached county and state champions in track. Coach Brett had the distance corps and Coach Murphy had the sprinters and weightmen.

In the future, we at Colonia Senior High School hope that the winning tradition set this past year will be continued in the years to come.
